About Us

Al Telal Al Arabia Furniture LLC is a leading provider of high-quality curtains and sofa upholstery solutions in the UAE. Founded in 2005, we have over 18 years of experience in the industry and have built a reputation for delivering exceptional service and customized solutions to our clients.

Our team of experienced designers and skilled tailors work closely with our clients to understand their specific needs and preferences, offering a wide range of fabrics, patterns, and materials to choose from. We pride ourselves on using only the finest materials and techniques to create bespoke curtains and sofa upholstery solutions that are both functional and stylish.

Over the years, we have had the privilege of working with some of the most prestigious hotels and villas in the UAE, including the Burj Al Arab, Ramada Hotel Downtown Dubai, Hilton Doubletree Barsha, Jumeirah Beach Residency, Nurai Island Abu Dhabi and more. We have also completed several commercial projects, including offices, banks, and hospitals..

Our team includes experienced fabric suppliers, a dedicated sales team, skilled tailors for curtain and upholstery stitching, and technically skilled persons for all fit-out. We have a dedicated customer relationship management team that ensures lifelong relationships with our clients.

At Al Telal Al Arabia Furniture LLC, we believe that our success is built on a foundation of trust, quality, and reliability. We are committed to exceeding our clients' expectations and delivering exceptional service that meets their specific needs and preferences.

If you have any upcoming projects where we can assist you with our services, please do not hesitate to contact us. We look forward to hearing from you.

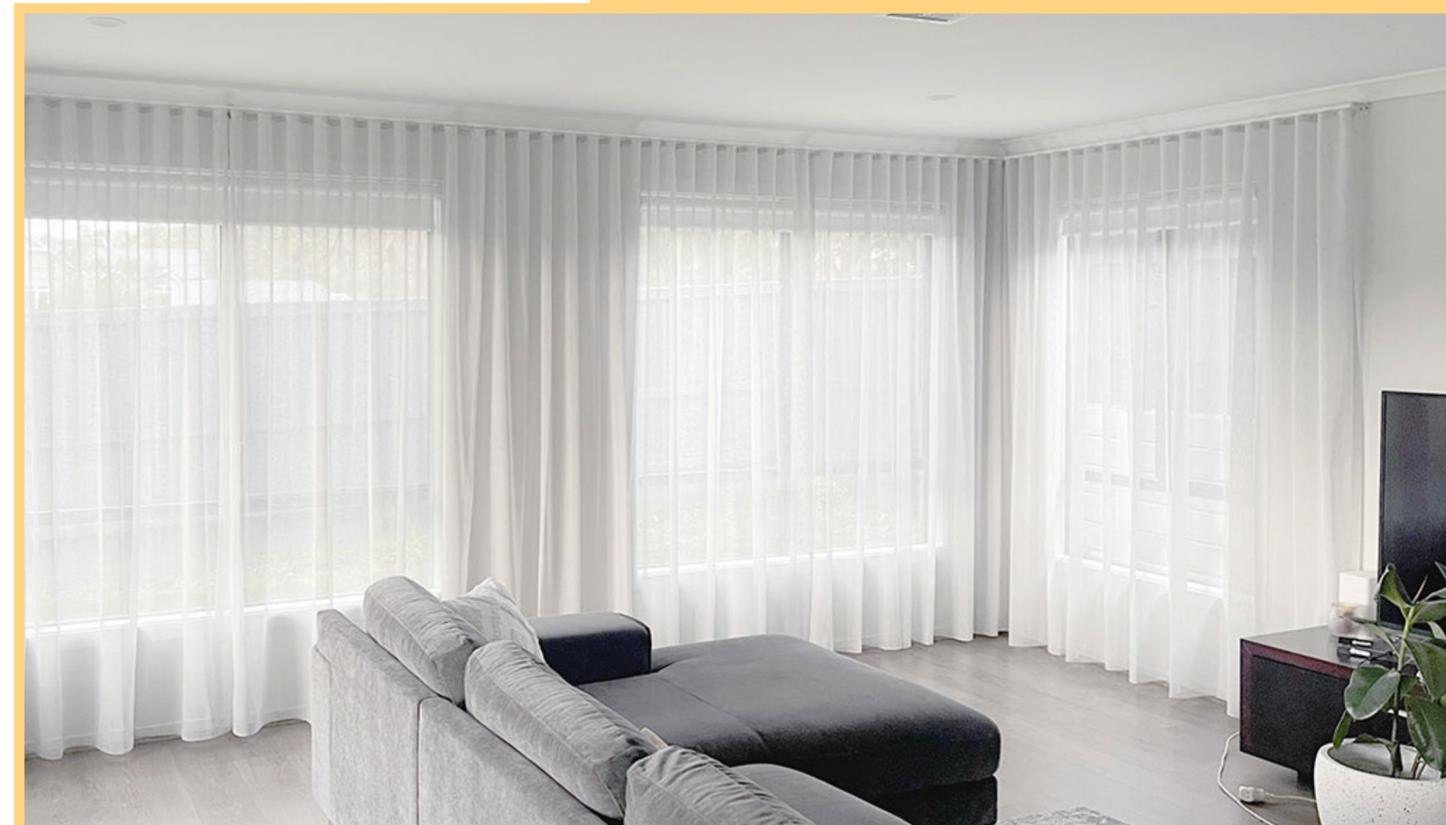

Blackout Curtains

Blackout curtains are designed to completely block out light from entering a room.

Sheer Curtains

Sheer curtains are made from lightweight, translucent fabrics that allow light to filter through while still providing some degree of privacy.

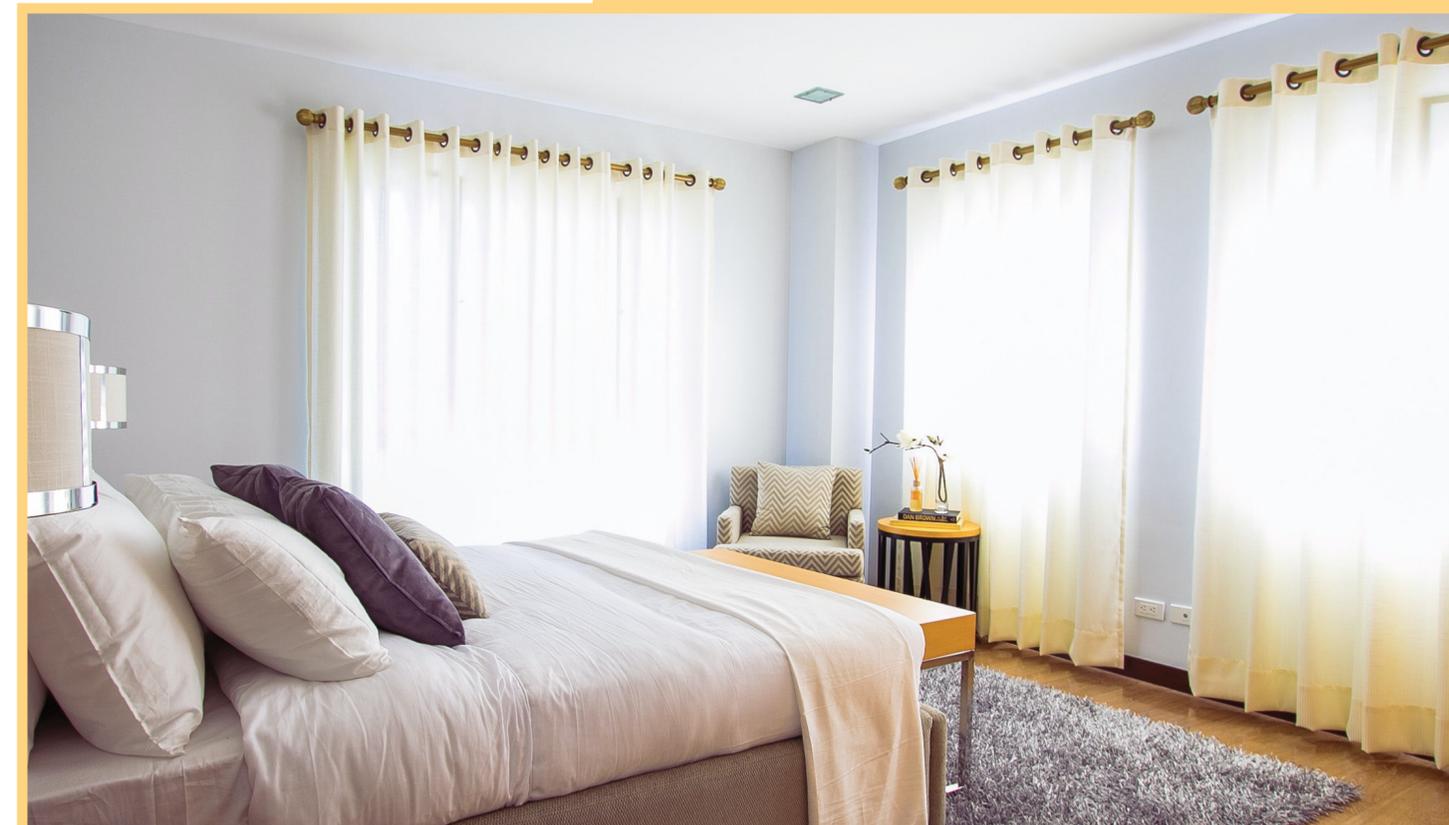

Window Curtains

Window curtains refer to any type of curtain that is designed to cover a window. They come in a wide range of styles, fabrics, and colours, and can be used to enhance the look of any room.

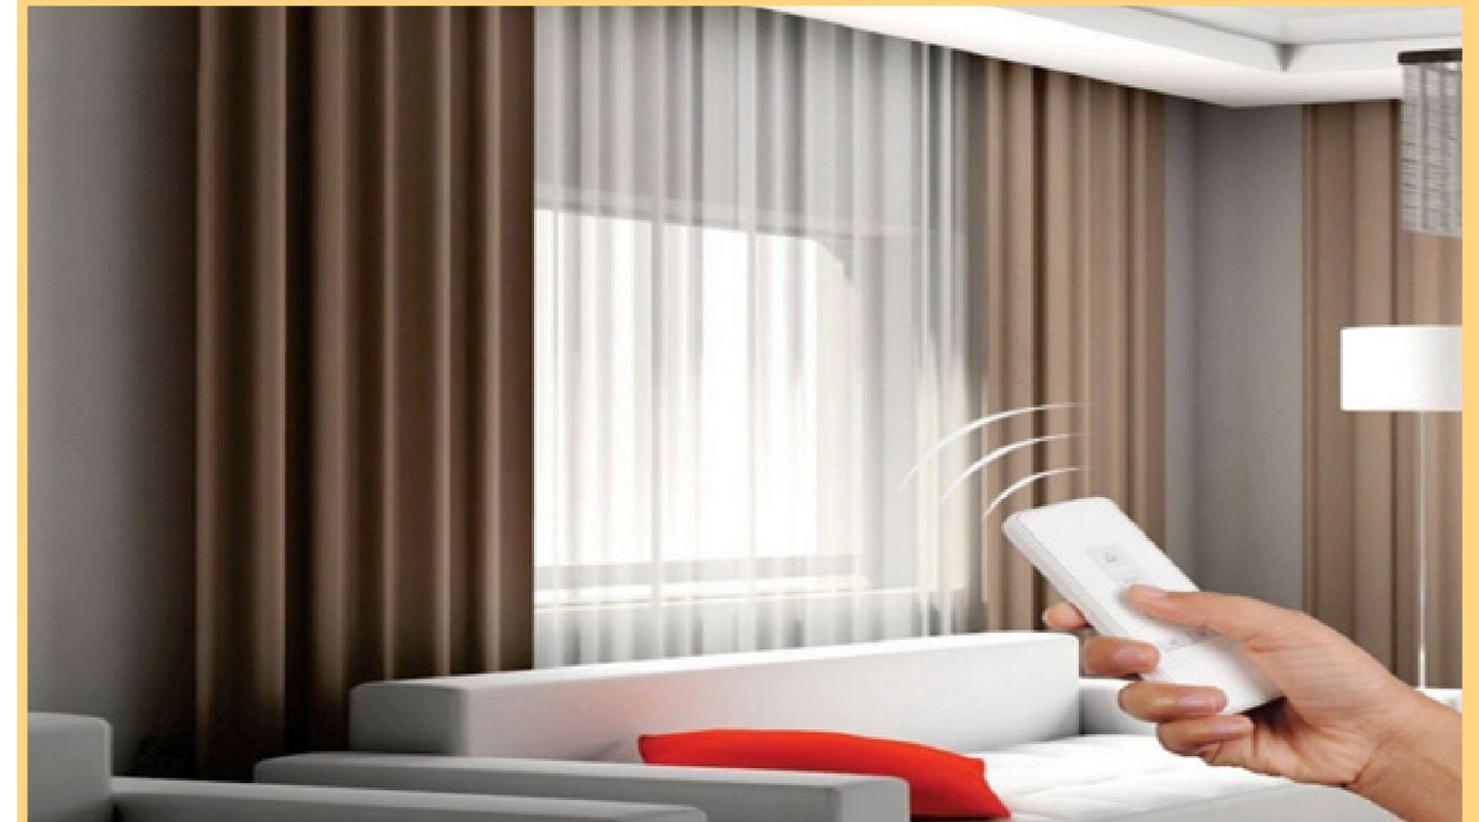

Voile Curtains

Voile curtains are made from a lightweight, semi-transparent fabric that allows some light to filter through while still providing privacy.

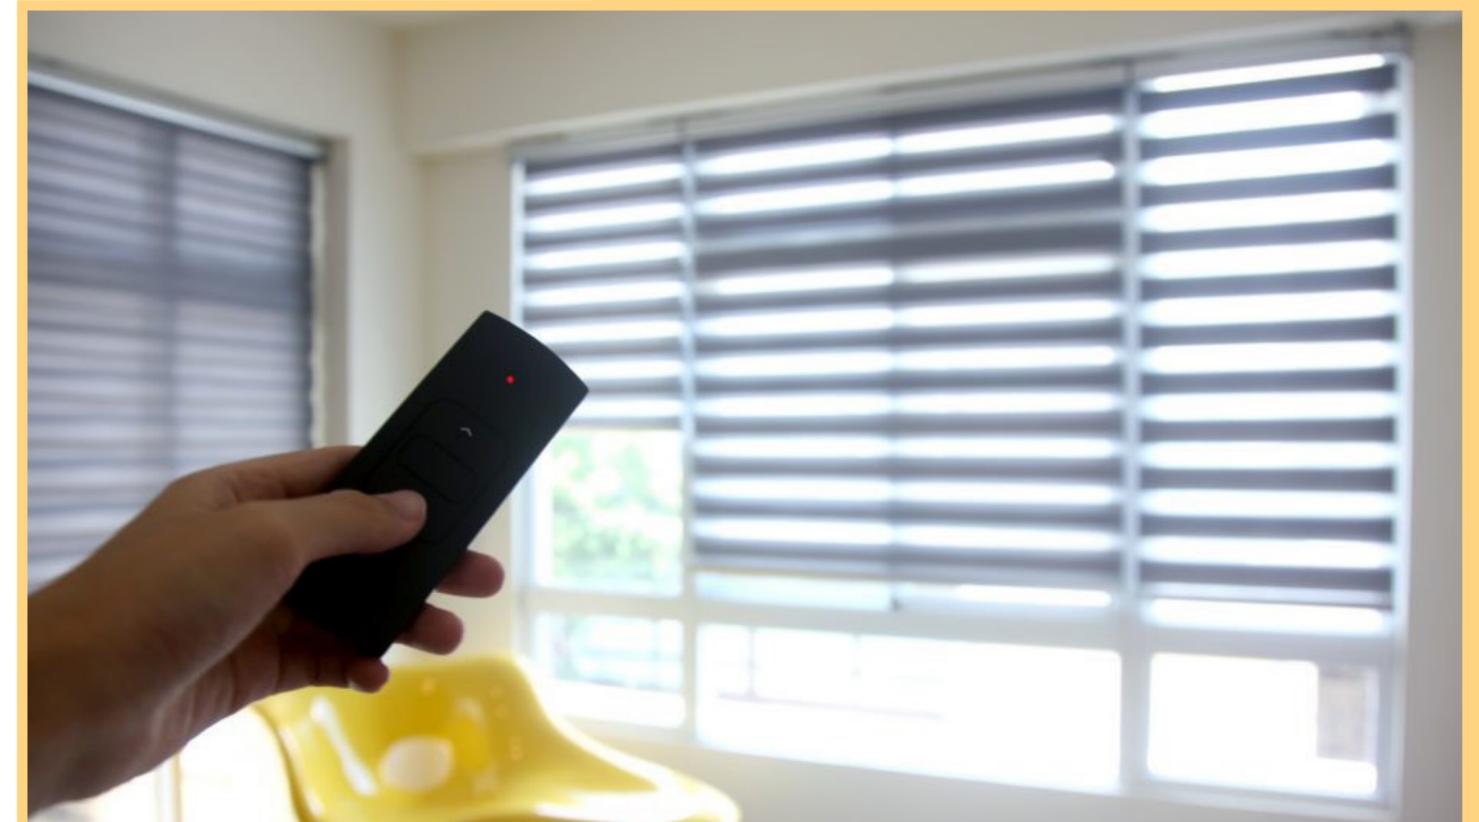

Motorized Curtains

Motorized curtains are operated by an electric motor that allows them to be opened and closed automatically. They are typically controlled by a remote or a smartphone app.

Motorised Blinds

Motorized blinds are a type of window treatment that uses an electric motor to raise and lower them. They are controlled by a remote control or a smartphone app.

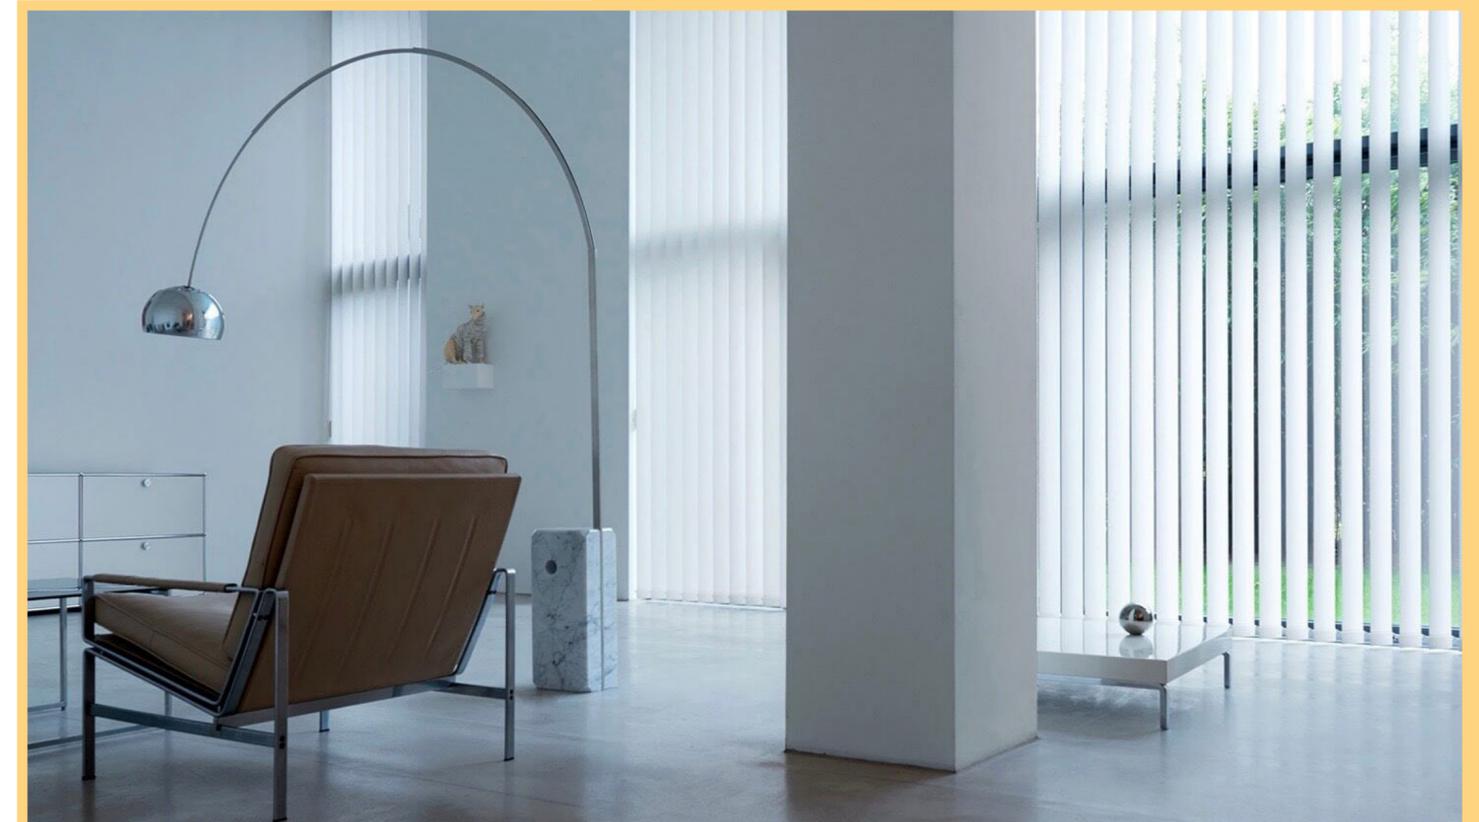

Roller Blinds

Roller blinds are a classic and simple window treatment option. They are made of fabric that is rolled up and down using a cord or a spring-loaded mechanism.

Vertical Blinds

Vertical blinds are a popular option for larger windows and sliding glass doors. They consist of individual slats that can be tilted to control the amount of light and privacy in a room.

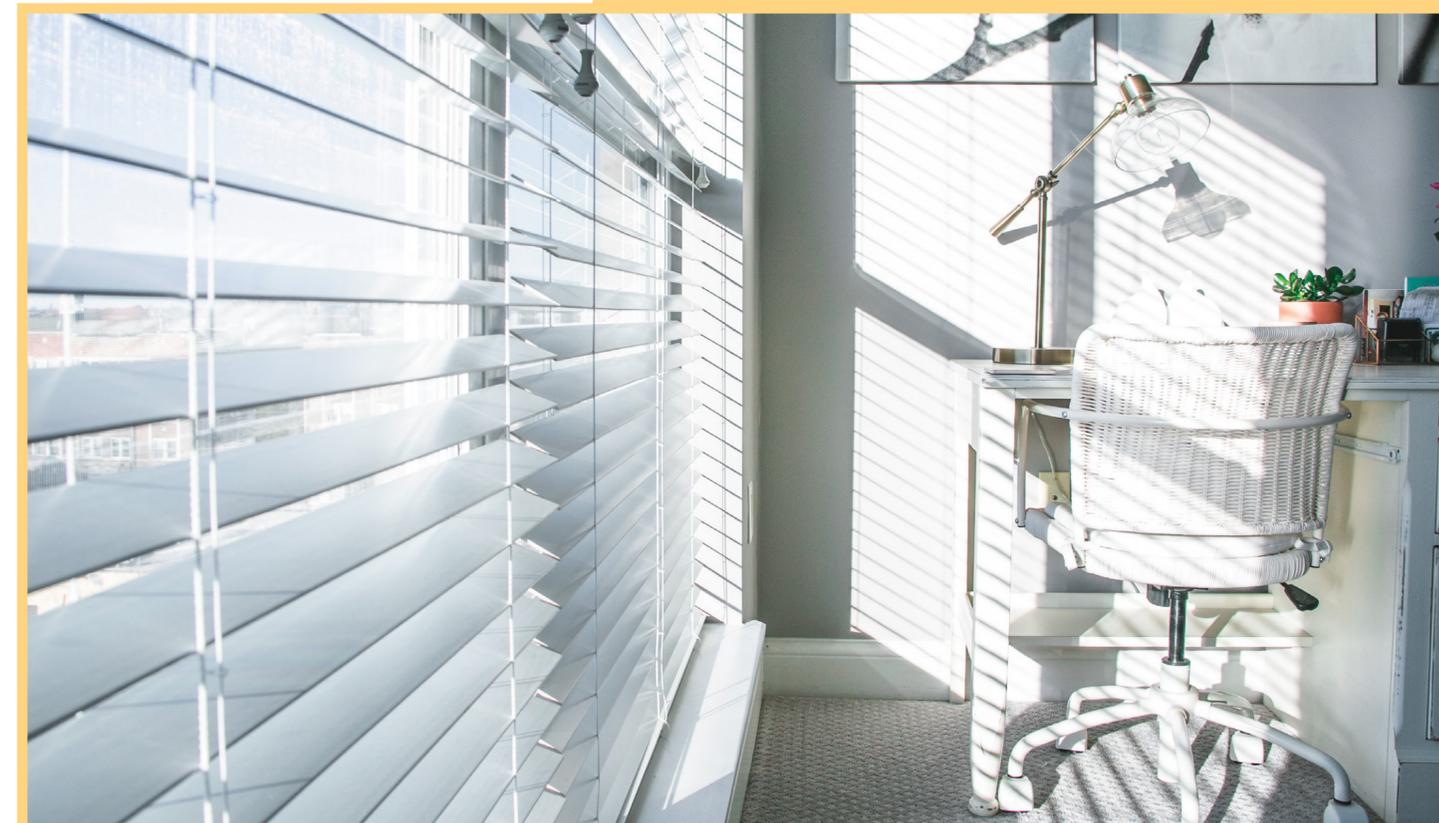

Roman Blinds

Roman blinds are a stylish and elegant window treatment option. They are made of fabric that folds up in pleats when raised, and can be customized to fit any window size.

Venetian Blinds

Venetian blinds are a classic and timeless window treatment option. They consist of horizontal slats that can be tilted to control the amount of light and privacy in a room.

Wooden Blinds

Wooden blinds are a natural and stylish window treatment option. They are made of real or faux wood and can be customized to fit any window size.
